

Our Lady of the Most Blessed Sacrament School
School Advisory Council
Meeting Minutes
August 12, 2015

Opening Prayer

- Introduction of members
Members introduced themselves and talked about how many students they have at Our Lady of the Most Blessed Sacrament School.
- Reviewing the purpose, duties, and responsibilities
The group reviewed the By-Laws and discussed how the information would be distributed to the school community.
Luis offered to draft a letter that would be reviewed by the Council before distribution.
- Sean was going to develop an online form for the council to express interest in the Executive Council and Committees. Based on the submissions, the principal and pastor would determine the Executive Council for the first year. A second form was to be added to the school web-page for parents to submit information to the School Advisory Council.
- Schedule Meetings for the year
A plan was discussed to keep the meetings on Wednesdays based on the majority of the groups availability. No final schedule was established.
- PTK/Athletics Discussion
Due to the time frame necessary to have a successful athletics program, Chad Crawford and Jeff Spinelli offered to serve on the Athletics committee. Brian Swierczewski offered to help when possible.
A follow-up meeting was to be scheduled with Mr. Davis to begin planning for the Basketball season.
